

Stoughton Parents of Performing Students Mattress Fundraiser Set for Sun Oct. 14th!

Are you looking to replace a bed in your home? Now is the time. The Parents of Performing Students (POPS) are excited to announce they will be hosting a one-day Mattress Sale Fundraiser on Sunday, October 14th from 10:00 AM – 5:00 PM. For one day only, the Stoughton High School Cafeteria will be transformed into a mattress showroom. For quick information about the sale, visit <https://www.facebook.com/StoughtonPOPSMattressFundraiser>

There will be 29 mattress floor models on display for customers to try. Adjustable power bases, Massage Chairs, premium pillows, sheets, bed frames, and mattress protectors will be available as well. The brands include Simmons Beautyrest, Therapedic, Wellsville and Intellibed. All beds are available in all sizes, come with factory warranties, and are made to order. Delivery and many financing options are available. Best of all, the entire Performing Arts in the Stoughton Public Schools benefit from every purchase and the beds are priced less than retail stores because of the fundraising company's unique business model. If you are considering a new bed for someone in your home, the The Parents of Performing Students Organization wants you at the sale.

This will be the 3rd time Stoughton HS has hosted a fundraiser of this sort. Most schools run the sale once per year to give their communities the chance to save money and support local school programs.

Custom Fundraising Solutions (CFS) has worked with numerous other schools in the Boston Metro running Mattress Fundraisers and the results can be impressive. In a one day sale, schools have the ability to raise several thousand dollars, simply by promoting and advertising for the weeks leading up to the event. CFS provides the promotional material and handles the sales and distribution of the products.

Custom Fundraising Solutions was founded in Cleveland, OH. With over 90 independently owned and operated locations, the company has helped revolutionize fundraising in schools by helping programs earn great sums of money with no risk and a relatively small amount of work. As a whole, the organization has raised over \$31 Million for schools.

We hope to provide a reminder that if you, or anyone you know might be in need of a mattress or massage chair, please save the date and visit our mobile showroom at **Stoughton High School, 232 Pearl St, Stoughton**. This is the time to buy and **save up to 50% off** retail, all while supporting our students.
